BRAD LITTLE
Governor

Dear Friends,

I would like to welcome you to the Idaho Pacific International Trapshooting Association's (PITA) Idaho State Trapshooting Championship, sponsored by the PITA and hosted by the Pocatello Gun Club June 26-28, 2020.

I am proud to see the tradition of shooting sportsmanship continue in our great state. Never forget that you have inherited a proud tradition. In 1788 Samuel Adams said, "The Constitution shall never be constructed to prevent the people of the United States who are peaceable citizens from keeping their own arms."

As you participate in this competition, I urge you to remember that our Second Amendment right to keep and bear arms comes with a solemn responsibility to do so safely, peaceably, and to pass on these values to the next generation of sportsmen.

I wish you the best of luck in your competitions this week and in all your future endeavors.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brad Little".

Idaho State PITA President's Message

On behalf of the directors of the Idaho PITA, we want to welcome you to the Pocatello Gun Club for the 2020 Idaho PITA State trap shoot. We are honored and delighted to host you this year in Pocatello, Idaho and look forward to making your shoot experience and your visit enjoyable. Although the PGC is hosting this event, the Idaho PITA and its board will run the shoot. Those duties and responsibilities include but are not limited to cashiering, registration, handicapping, target setting, trophies and the annual board meeting. The Pocatello Gun Club is providing the facility, traps, trap help and volunteers.

Back by popular demand the buddy shoot will again be held on Friday night with custom engraved buckles as trophies. There are a few changes to the sign-up rules to make the process more streamlined; please see the ad inside the program for details. Start soliciting your buddies (they do not need to be a registered shooter to participate) and come have some pizza and fun with us.

There are several advertisers in this year's shoot program. Our other donors and sponsors have provided support in various ways to enhance our shoot so, if the opportunity presents itself, please patronize them and let them know that you saw their ad in this year's shoot program. We appreciate these businesses and patrons that help with our program publishing, printing and mailing, added money, silent auction items and more. Without their support and hard work our shoot would not be what it is today.

We are again fortunate to have Kay Klundt cashiering our shoot. As many of you know, she is the PITA executive secretary and we are happy to have her cashier this year's shoot. Should you need assistance with PITA information, please see her at the cashier's window during the shoot.

Feel free to contact me or any of the hardworking Idaho PITA board of directors with questions or comments concerning the shoot. We promise to do all we can to make your stay and shooting experience enjoyable. Thank you for supporting trapshooting in this great state of Idaho. We are lucky to have such a supportive state to enjoy our right to keep and bear arms.

Any time I am shouldering my 12 gauge I am having a good day so I leave you with this, "good luck, have fun, PULL!"

Lahoma Turner
President, Idaho PITA

IDAHO TRAPSHOOTING HALL OF FAME/IDAHO SHOTGUN SPORTS MUSEUM

The Idaho Trapshooting Hall of Fame, formed in 1988, is a nonprofit organization with the following mission "To record and memorialize significant people, places and events in the history of trapshooting in the state of Idaho and to promote trapshooting and educate the public as to the values of the sport of and to preserve the history, records, artifacts and other memorabilia as well as to promote and provide inspiration to all trapshooters. Over the past 31 years 44 people have been inducted into the Idaho Hall of Fame, becoming part of the Idaho trapshooting legacy.

Idaho Trapshooting Hall of fame has explored building a facility for storage and display of historical trapshooting items several times. In 2018 a member of the Boise Gun Club offered \$10,000 toward the construction of an Idaho Shotgun Sports Museum at the Boise Gun Club if shooters will match the funds. This museum could become the physical home of the Idaho Trapshooting Hall of Fame.

The museum will include items and information dealing with hunting, the development of the shooting sports of trap, skeet and sporting clays, the history of shotguns and much more.

The Idaho Trapshooting Hall of Fame is seeking donations from interested clubs and individuals to reach the goal of matching funds and ultimately the construction of a facility where historical memorabilia can be located to aid in recording the history of shotgun sports. Please consider making a donation to this important historical project..

All donated funds are being held in a separate account through the Hall of Fame and are tax deductible. Should the matching funds are not be met your donations will be fully refunded.

You can send your donations made to Idaho Shotgun Sports Museum (ISSM) Project to:

Hall of Fame Inductee

The Hall of Fame Board would like to thank David Poseley's daughter Renae Poseley James for her wonderful effort to describe the history behind this year's inductee into the Hall of Fame.

Please keep in mind that there is not enough space here to list all of the wins that David has brought home in the years he has been trap shooting.

It all began in 1958. At the age of 10 David began working at a trap club in Colorado as a puller. At that time, being a puller truly meant you were going to "pull" birds all day, and he worked for birds and not wages. There were no voice calls or buttons you could push, and he would pull a long bar back, and when the shooter yelled "pull," he would release it. Unfortunately, as it is today, kids couldn't afford this sport without the help of someone else. He was determined, even at his young age, not to be beholden to anyone, so he did the second-best thing—if he couldn't compete in the sport, he could work at a club and learn as much as he could about the sport from shooters. He has always had a love for guns, and trapshooting just called to him. That was the start of him becoming the great competitor and trapshooter he is today.

David has volunteered to teach children and adults how to shoot. If anyone he knows shows interest in this sport, he is the first to invite them to shoot, and offers to teach them. For a child shooting, David is the first to volunteer his time, his ammo, and a shotgun that is fit just for the child. The majority of people he has taught have become registered shooters, and still shoot trap to this day.

David has been deeply committed to going to as many competitions as he possibly can. Over the last 23 years he has traveled to Hawaii, Washington, Nevada, Utah, Arizona, Montana, and of course, all over the state of Idaho. During this time he had a very large number of wins, including wins at the Grand Pacific, the Idaho ATA state shoot, and the PITA state shoot.

Some of his major wins include:

- 2010 ATA Idaho State Handicap Champion (won four-way shoot off) with 97

- 2014 PITA Idaho State Singles Champion with 199

- 2015 Grand Pacific Veteran's Singles Champion with 198

- 2015 Tie for Champion of Champions at the Grand Pacific

David earned selection to the Idaho PITA All-Star team seven straight years—from 2010 through 2016, and was captain or co-captain three of those years.

He shot 100 straight from 27 yards at the Twin Falls Gun Club, one of only five in the entire PITA that year.

David has also fired at over 55,000 PITA registered targets, and many more with the ATA.

Virgil E. Perry

September 11, 1935 ~ November 13, 2019 (age 84)

Virgil was born at home in Missouri to Rubie and Elias Perry on September 11, 1935. In 1936, the Perry family moved to Meridian, Idaho and bought a farm. The family farm is where he grew up, learned about a good day's work and cultivated his mechanical know-how and problem-solving skills.

His knowledge, aptitude and ability to work well with his hands led him to a successful welding career. He worked on many construction and pipeline projects in the Treasure Valley and across the western U.S. including the Hanford FTF and replacing the oil pipelines on the Pearl Harbor base.

His many interests and activities kept him busy and included driving and building race cars, boat building and enjoying time on the lake with family and friends, riding motorcycles, gardening and competition trapshooting.

Trapshooting was his passion up to just a few years prior to his death. He won several trapshooting titles through the years and was inducted into the Idaho State Trapshooting Hall of Fame an honor he was extremely proud of.

Virgil had amazing resilience and many accomplishments throughout his life, but eventually succumbed to cancer on November 13, 2019.

He married Marilyn Carr in 1954 and together they had five girls. They later divorced and he married Betty Schmidt in 1977.

Virgil is survived by his wife, Betty; five daughters, Deb, Bev (Mike), Barb (Jake), Kathy (Barry), Judy (Orv); stepchildren Dee (George), and Brian (Denise); grandchildren and great grandchildren, his sisters Joan, Darlene, and Diann. His parents, siblings David, Lila and Imogene preceded him in death.

IDAHO SHOTGUN SPORTS MUSEUM

For years shooters and the Idaho Trapshooting Hall of Fame have wished for a place to honor, store, and display the history of trapshooting. In 2018 a Boise Gun Club member offered \$10,000 to start to reach this goal but with the condition that shooters must match that amount within one year. This museum will tell the history of all shotgun sports from sport and subsistence hunting through the development of the shooting sports of live pigeons, glass balls, clay targets, skeet, and sporting clays. It is projected that the museum will have a mission to educate the public about the enjoyment of the shotgun sports as well as displaying the memorabilia that goes with these sports. At the present time we have raised about 60% of our matching funds and donations are needed to reach our goal by the middle of August. If you would like to donate, you can send a check to: The Idaho Trapshooting Hall of Fame c/o Sue Brayman. 602 E. Linkershim Dr. Meridian, ID 83642 (Make sure to mark your check ISSM project) or you can see Kent Harris at either state shoot There will be many steps to get this project completed but this is an important first step – let's not let it slip away.
