C.L. "BUTCH" OTTER  
GOVERNOR

May 28, 2018

Dear Friends,

The First Lady and I welcome you to the Idaho State Trapshoot Program, sponsored by the Idaho State Trapshooting Association and hosted by the Boise Gun Club.

As you participate in this competition, keep in mind what Thomas Jefferson said in 1785: "A strong body makes the mind strong. As to the species of exercises, I advise the gun. While this gives moderate exercise to the body, it gives boldness, enterprise, and independence to the mind. Games played with the ball, and others of that nature, are too violent for the body and stamp no character on the mind. Let your gun, therefore, be the companion of your walks."

You are the inheritors of that proud tradition of firearm sports in America. Most importantly, you are among those who understand that the Second Amendment right to bear arms comes with a solemn responsibility to do so safely and pass on your values to a new generation of sportsmen.

Once again, Miss Lori and I wish you the best of luck this week and in all your future endeavors.

As Always – Idaho, "Esto Perpetua"

C.L. "Butch" Otter  
Governor of Idaho

We would like to welcome you to the

Hello Shooters!!!

The Boise Gun Club (BGC) directors and members are excited to be hosting the 2018 Idaho ATA State Trapshooting Championship. We welcome all visitors to our home. We have made some improvements over the last few years (such as trees and sidewalks). Let us know what you think. We hope our efforts make your shoot experience and your visit to Boise more enjoyable!

Although the BGC is hosting this event, the Idaho State ATA and its board will run the shoot. Their duties and responsibilities include but are not limited to cashiering, registration, handicapping, target setting, trophies and convening the annual board meeting. The BGC is providing the facility, traps, trap help and volunteers.

There are several advertisers in this year's shoot program. They have provided support in various ways to the sport of trapshooting as well as many sponsorships and donations for this year's shoot. If you have the opportunity, please patronize them and let them know that you saw their ad in this shoot program.

We will provide various economy shells and some high end shells for sale. Also we may experiment with just 10 shot practice rounds for only \$2.00. This will provide more chances for a quick warm up. Ask our cashier how we are handling it.

This is a time to renew old friendships and make new friends all while practicing healthy competition and sportsmanship. Our directors and staff are here to help. Please feel free to contact me or any of the hard working BGC directors or staff with questions or comments concerning the facility. We will do all that we can to make your stay and shooting experience enjoyable. Thank you for supporting trapshooting in the great state of Idaho.

We hope you shoot the best scores of your life!!!

Leonard Wehking  
President, Boise Gun Club

# Constitutional Change Proposals

## Constitutional Change Proposal

Date: March 1, 2018

Proposed by: Spud Storey

Proposal to description of Article VI-Section 4 regarding voting eligibility in the ISTA Constitution

### ARTICLE VI-Meetings

Section 1: Annual Meeting. The Annual Meeting shall be held during the Idaho State Shoot and the day and time shall be specified in the program of the tournament, consistent with the ATA rules.

Section 2: Board Meetings. The Board of Directors shall meet at least three (3) times a year. Special Meetings may be called by the President, provided that sufficient notice is given in advance so the Board members may have time to attend.

Section 3: Any meeting may be adjourned by majority vote.

Section 4: Voting. Voting on all matters, in all meetings, shall be done by ballot if a request is made to do so. Only ISTA members are allowed to vote on the business of the organization. Membership is established by residence in Idaho and ATA target shooting history prior to voting at the annual meeting. Proof of current membership can be determined by any format that demonstrates a person is a member in good standing of the ATA and ISTA, and resides in Idaho, including but not limited to current average card, a current year ATA receipt of paid membership for Idaho residents who have shot any ATA targets in the past, life membership card, acknowledged paid membership in the software program used to enter shooters into the annual event. The format of the proof of membership can be paper or electronic. If there are questions about legitimacy of membership the Board of Directors will be requested to make a ruling. Only one vote may be cast per person; there is no proxy or absentee voting allowed. Eligibility to vote for state delegate will be consistent with the ATA requirements.

Rationale: The ISTA should be committed to assuring that all members of the organization have a voice in the business matters of the association. In the current era, paper documentation has often been replaced with on line data bases and electronic information. Proof of membership should be allowed in any format that demonstrates a person is a member in good standing of the ATA and resides in Idaho.

~~Deleted: Be it the Annual Meeting held at the State Shoot, only ISTA members with the current ATA average card shall be allowed to vote. Only one vote may be cast per person, no proxy or absentee voting allowed.~~

This is accomplished by completing an IRS Form W9. If you think you may have \$600 or more in winnings, please complete a W9 form and return it to Joe Eichert or the Cashier's desk.

The ISTA Board of Directors is pleased to announce that there is an Idaho Trapshooting Website. This website is shared by the ISTA and the ID-PITA. This website is intended to be a service to the shooters of the State of Idaho and shooters who are interested in the activities of Idaho. Please visit the site at [www.idahotrapshooting.com](http://www.idahotrapshooting.com); you can send comments and suggestions through the contact us link provided on each page of the site. ## Submitted by the Idaho Hall of Fame Board

### **Chuck Randle 2018 Inductee to the Idaho Hall of Fame**

Charles (Chuck) T. Randle was born April 9, 1931 and has lived and worked in Idaho except for two years when he served in the U.S. Army and was stationed in Okinawa.

He worked at the Potlatch saw mill for 20 years and later owned and worked at C&L Lockers in Moscow with his father.

Chuck is a life member of the Colton Booster Gun Club as well as a past life member of the now defunct Pullman Gun Club. A very successful competitor over the years, he has shot 114,250 singles, 100,125 handicap and 54,800 ATA doubles.

Perhaps his greatest contribution has been in support of trap shooting, in particular with young and new shooters. He has donated shotguns and shells to youth shooters for years, as well as trap machines, voice calls and shells to both the former Pullman Gun Club and the Colton Booster Gun Club.

The shooting record of his wins runs three full pages from the information from Trap & Field. Here are some of the highlights:

2005 Senior Veteran ATA All American Second Team

2001 Idaho State Senior Veteran Second Team

2003 Idaho State Senior Veteran First Team

2004 Idaho State Senior Veteran First Team

2012 Idaho State Senior Veteran Second Team

Chuck also shot extensively in Montana, Washington and Oregon. He has taken 17 trophies at the Washington State Shoot, 14 wins at the Idaho State Shoot, six wins at the Montana State Shoot, 14 wins at the Western Zone in addition to wins at the Inland Empire Handicap and the Oregon State shoot.

It is unknown how many trophies he accumulated at the very large number of local clubs throughout the Northwest in his career he shot at. Chuck was a familiar face at many shoots and until recently he participated in registered shoots several times each month.

Chuck is very congenial, friendly and quiet gentleman who took his love for the sport of trapshooting in dignity, win or not Chuck always maintained his composure and displayed the finest qualities of sportsmanship.

He is a most worthy addition to the Idaho State Hall of Fame.

## **STEELE/CONNERLEY \$2000 DRAW SCORE**

There is a draw score in each of the first 8 events including the 1<sup>st</sup> and 2<sup>nd</sup> 100 of the singles.

All participants' scores, excluding the high score, are entered into a drawing at no cost to the shooter.

If there is only one shooter with the drawn score, that person wins \$200. If there are more than one the shooters with the drawn score can participate in a Miss And Out Shoot Off at the end of the shoot day. The winner of the shoot off wins \$200. Wins are limited to one during the 4 day event. (Ties may spit if they choose, but all persons with that score are then ineligible for future draws).

All Sub Junior and Junior Shooter scores are entered into another drawing at no cost to the shooter. If there is only one shooter with the drawn score, that person wins \$50. If there are more than one, the shooters with the drawn score can participate in a Miss and Out Shoot Off at the end of the shoot day. The winner of the shoot off wins \$50. Sub juniors and Juniors are automatically entered into any event in which they participate. There is no limit to number of events they may win for the \$50 SJ-J Draw Score. .

This Draw Score is for the first 8 events, and is NOT available for the Championship Handicap, because people are departing. We hope everyone travels safe!
