

Idaho PITA update:

Greetings from the Idaho PITA, where has the year gone? We are winding down the 2017 shoot year and looking forward to 2018. Preparation is underway for the 2018 state shoot that will be held in Twin Falls on June 29 through July 1, 2018. Twin Falls is always a fantastic host and we expect nothing less next year.

Let me introduce you to the ID PITA board members. President Lahoma Turner, Vice President Kathy Connerley, Secretary Cal Kidney, Treasurer Jeff Scott, Directors Randy Adams, Brian Lancaster and Gail Jones. Kent Harris is active member and joins most of our board meetings and helps us as does his wife Liz. I encourage you to become involved and the general public is welcome at all our board meetings and we encourage you to participate. Our next board meeting is November 4 at the Boise Gun Club with the time to be determined. Once a time is determined, it will be posted on this website along with the 2018 shoot dates.

We are working on selling ads, preparing fund raisers and planning dinner and fun things to do. If you have any ideas, please feel free to contact an Idaho PITA board member and let them know. Due to the close proximity of Jackpot, we will not be hosting the Texas Hold 'Em poker tournament this year but look for some new and different ways to spend our free time.

We will be hosting a silent auction this year at the state shoot so if you have items you would like to donate, get those to me, Kathy Connerley or any other board member. We are in hopes that each gun club will donate a basket or auction item and perhaps we can talk some of our vendors and sponsors to donate as well. We are hoping for a great turnout of items so that you can bid to your heart's content.

As you can see, we have developed a nice working relationship with the ISTA board and our first joint endeavor is this shared website and look forward to developing an even more cohesive relationship for shooters and shooting in our great state. We as a board encourage you to shoot any and all targets that can fit into your schedule. We think you will find you will see many of the same faces and we encourage you to branch out and get to know your shooting peers. I know I have never been disappointed in any shooting friend I have met.

So shoot straight and follow through my friends and I hope to be walking down the trap line and seeing each and every one of you throughout the year. PULL!

Lahoma
